

Besedilo

We 'bout to get up on this thing, the time is now  
What you waitin' for?  
It's time for you to get up and show the world  
What we have in store  
Some people have to stand in line  
To get up in this place  
Time is surely hard to pick up your gun  
In this crazy race

We 'bout to get up on this thing, the time is now  
What you waitin' for?  
It's time for you to get up and show the world  
What we have in store  
Some people have to stand in line  
To get up in this place  
Time is surely hard to pick up your gun  
In this crazy race

We 'bout to get up on this thing, the time is now
